I am Mrs. Uhrings's student teacher this semester and I am using this site as a place to find daily homework assignments and other classroom news to keep both parents and students up to date. Be sure to check out the links at the bottom for supplemental learning at home and the flashcards (see the link above) to prepare for tests.

New!

From now on I will be posting a math problem of the week on this page (at the bottom) for any students who are interested.

Each Monday I will post the new problem and for that week
